

Royal Gray
1899-1981

ACKNOWLEDGEMENTS

With this book as a testament to the life of a man, we acknowledge Royal Gray, the first photographer to make Ulysses his permanent home. Royal came to Ulysses in 1929 and from that time forward until his death in 1981, he recorded the history of Grant County in his countless photographs. We also acknowledge Opal Peterson Gray, who assisted her husband by editing and recording his work over a period of 50 years. Words cannot express our appreciation to the Gray Family.

Thank you Kathryn Binney, Helen Lofland and all of the others that took the time to sort, research and file the many negatives.

Special thanks to Robin Graber, Marlene Calhoun and Don Calhoun, who spent countless hours on research, editing and page layouts.

Finally, thanks to the many persons who submitted photographs and shared their memories.

Ginger Anthony, and the Grant County Historical Society and Museum.
